School Accountability Report Card

Reported Using Data from the 2014-15 School Year

Published During 2015-16

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (Most Recent Year)

Community & School Profile

Borrego Springs Middle School is located in the remote desert community of Borrego Springs, in eastern San Diego County. Borrego Springs is a quiet community with a true home town atmosphere and is situated in the middle of the Anza-Borrego Desert State Park. Known for its ideal winter climate and natural beauty, the area attracts many visitors. Borrego Springs Middle School is governed by the Borrego Springs Unified School District. The district currently includes one elementary school, one middle school, one high school, and one continuation high school. Borrego Springs Middle School serves 108 students in grades six through eight, providing comprehensive educational programs and services to its unique student population. The school also acts as a focal point for community events.

Borrego Springs Middle School is a school in which the faculty, staff and students work as a team through sharing the decision-making responsibilities of the school. Recommendations are honored both up and down the supervisory chain. Faculty members are considered an integral part of the decision making process. Students arrive at school enthusiastic and ready to learn without undue concern for their own safety as it relates to school violence. The students of Borrego Springs Middle School are involved in a curriculum that is tailored for their future life endeavors. Their course studies are meaningful and directly related to their life goals. Emphasis is placed on preparing students to lead productive as well as fulfilling lives as adults. The mission of the Borrego Springs Middle School is to provide a safe, holistic, educational environment, which blends academic, social, emotional, and physical development for each student. The staff accomplishes these goals by working together to provide a challenging and safe social environment that encourages all students to reach their highest potential and to be competitive, responsible citizens in a culturally diverse world.

The educational community of Borrego Springs, which includes parents, students, staff, and the community, promotes pride in our schools through respect for each other, good citizenship, maintenance of high standards, and the positive encouragement of students. Through pursuit of these ideals, we develop the students' whole person, foster self-esteem in a safe environment, and provide guidance for their post-secondary planning and success.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2015-16)

Year and month in which data were collected: 9/15/12

All textbooks and instructional materials used within the Borrego Springs Unified School District are aligned with the California Academic Content Standards and Frameworks and have been selected from the state’s most recent list of standards-based materials. The district follows the state Board of Education’s eight-year adoption cycle for core content materials. The district held a Public Hearing on November, 2012 and determined that each school within the district has sufficient and good quality textbooks or instructional materials, pursuant to the settlement of Williams vs. the state of California. All students, including English Language Learner students, are provided their own individual textbooks in core subjects for use in the classroom and to take home to complete required homework assignments.

School Facility Conditions and Planned Improvements (Most Recent Year)

Safety conditions of the school site are the number one priority of Maintenance and Operations personnel and the site principal. District maintenance supervisors are proactive and conduct inspections at school sites on a continual basis. Repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The district maintenance staff has indicated that 100% of all toilets on school grounds are in working order.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (Most Recent Year)

Parents and the community are supportive of the educational program at Borrego Springs Middle School. Due to the nature of Borrego Spring's small, close-knit community, local people and organizations heavily invest time and money into the development of the next generation of well-rounded, educated, and responsible citizens. The Middle School Site Council meets to review school programs and student data. The Spanish-speaking parents participate in the District English Language Advisory Committee (DELAC) throughout the year. Community members and parents volunteer at the school, both during the school day and after school, to provide enriching educational activities for our students. The support of parents, community members, and local businesses instills students at Borrego Springs Middle School with a sense of pride in their school and connection to their community.

Parents who wish to volunteer or participate in Borrego Springs Middle School's leadership teams, school committees, and school activities may contact Principal Martha Deichler (760) 767-5335.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

School Safety Plan (Most Recent Year)

Safety of students and staff is the primary concern at Borrego Springs Middle School. Borrego Springs Middle School welcomes visitors and volunteers, but asks all visitors to sign in at the front office, to be respectful of the learning process as well as to ensure a safe campus. We also want to minimize classroom disruptions. Before and after school, and during lunch, instructional aides, teachers, lunch supervisors and the principal monitor campus activity and ensure student safety.

The Comprehensive Safe School Plan was developed by the district to comply with Senate Bill 187 (SB 187) of 1997. The plan provides students and staff a means of ensuring a safe and orderly learning environment. Each school includes the following requirements of SB 187 within their safe school plans: current status of school crime; child abuse reporting procedures; disaster procedures, routine and emergency; policies related to suspension and expulsion; notification to teachers; sexual harassment policy; provision of a school-wide dress code; safe ingress and egress of pupils, parents, and school employees; safe and orderly school environment; and school rules and procedures.

The school reviews the plan annually and updates it, as needed. Safety procedures, including elements of the Safe School Plan, are reviewed with school and district staff in the fall, at the start of each school year. The plan was last updated and reviewed with school staff in February 2006. A copy of the plan is available for public review at the school office. A Safe Schools Committee was formed in December 2012 to review and revise the School Safety Plan, where appropriate.

Borrego Springs Middle School and High School collaborate with local law enforcement in drills and simulations of threatening situations that might endanger our students. Fire drills and/or earthquake drills are held quarterly. A complete lockdown drill is completed annually.

An updated campus map indicating student gathering points and critical utility shut-off valves is placed in all classrooms and also resides in the school and district office.

Types of Services Funded (Fiscal Year 2014-15)

For the 2013-14 school year, Borrego Springs Unified School District spent an average of \$14,887 to educate each student (based on 2013-14 audited financial statements). These expenditures cover the entirety of the educational program at BSUSD, from transportation to classroom supplies.

Borrego Springs Unified School District receives additional state and federal funding for special programs. Many categorical programs were completely eliminated in 2013-14 due to the formation of the Local Control Funding Formula. For the 2013-14 school year, the district received approximately \$3,775 per student in federal and state aid for the following categorical and support programs:

- Special Education
- Interagency Contracts
- Home-to-School Transportation
- Instructional Materials
- Title I
- Title II
- Title III
- Title IV
- Child Nutrition
- After school education and safety (ASES)

Professional Development (Most Recent Three Years)

Training and professional development at Borrego Springs Middle School currently revolves around the Common Core State Standards, Smarter Balanced Assessments, and 21st Century Learning Skills. Because of the small teaching staff, curriculum and staff development decisions are made by the entire staff working directly with the principal.

To acquire necessary knowledge, upgrade skills, and develop professionally, Borrego Springs Middle School's staff members are encouraged to attend workshops and conferences. Teachers regularly share expertise and best teaching practices with their colleagues, based on advanced education and/or specialized training. The sharing of information by teachers occurs throughout the year at weekly collaboration meetings held each Monday. The entire district faculty and staff meet regularly to discuss issues common to all district faculty and staff. Teaching staff provide input into developing the year-long weekly collaboration schedule.

Administrators conduct classroom visitations to observe and provide feedback. Release time is provided to teachers to observe colleagues and plan instruction.

The district annually offers three staff development buy-back days.

Recent staff development topics included:

- Using student data to develop Response to Instruction and Intervention
- Differentiated Instruction and Student Re-engagement
- Critical Reading strategies
- Unpacking and planning for implementation of Common Core State Standards (ELA, Math, Social Sciences)

Borrego Springs Unified School District assists new teachers with building classroom skills and instructional techniques by offering Beginning Teacher Support and Assessment (BTSA), a state-sponsored two-year program designed for first- and second-year credentialed teachers. A designated Literacy Coach (in addition to her regular teaching position) assists teachers (K-High) with vocabulary development, the writing process as well as demo lessons around new LEA and ELL standards.
